

BUSINESS VALUATION & INVESTMENT PROPOSAL

Dear Sir/Madam,

Thank you for your interest in Feel It Buy Innovations and for taking the time to review our investment opportunity.

As discussed, we are pleased to share the investment options currently planned for investors.

Feel It Buy Innovations is a technology-driven local e-commerce platform focused on connecting customers with trusted local distributors and retailers. Our mission is to simplify shopping while empowering local businesses through digital transformation.

This proposal presents our current business valuation, investment requirement, utilization of funds, and investment opportunities. We believe this investment will enable Feel It Buy Innovations to expand its operations, strengthen its distributor network, enhance customer acquisition, and accelerate growth into new markets and product categories.

BUSINESS VALUATION

The estimated business valuation of **Feel It Buy Innovations** is **₹1,70,00,000 (₹1.70 Crore)**. This valuation is based on the founder's investment, the developed technology platform, business model, market potential, and future growth opportunities.

- **Founder Investment – ₹25,00,000:** The founders have invested approximately ₹25 lakh towards app development, office setup, infrastructure, technology, branding, legal compliance, and operational expenses, demonstrating their commitment to the business.
-

- **Estimated Business Valuation – ₹1,70,00,000 (₹1.70 Crore):** The valuation reflects the company's scalable technology platform, strong business model, expansion plans, and long-term revenue potential.
 - **Investment Required – ₹30,00,000 (₹30 Lakh):** The investment will be utilized for distributor onboarding, customer acquisition, marketing, technology enhancement, working capital, and business expansion to accelerate growth.
-

VALUATION JUSTIFICATION

Our estimated business valuation of **₹1.70 Crore** is based on the following factors:

- Founder investment of approximately **₹25 lakh** towards application development, office setup, infrastructure, salaries, legal compliance, branding, and operational expenses.
 - A fully developed technology platform with a scalable and sustainable business model.
 - Strong revenue generation potential supported by a growing local e-commerce market.
 - Expansion plans into multiple product categories and additional locations.
 - A significant addressable market in electronics and furniture, with future expansion into fashion, groceries, home essentials, beauty products, and lifestyle categories.
 - A committed management team dedicated to building a profitable and scalable business.
-

FUND UTILIZATION PLAN (₹30 LAKH)

The proposed investment will be utilized as follows:

Purpose	Description
Distributor Launch Program	Onboarding distributors, training, and launching the platform across target locations.
Customer Acquisition	Free gifts, introductory offers, referral campaigns, and promotional activities to increase app downloads and customer engagement.
Marketing & Brand Awareness	Digital marketing, influencer campaigns, social media promotions, offline advertising, and local branding.
Promotional Activities	Seasonal campaigns, launch events, referral rewards, and customer retention programs.
Advance Payments to Distributors	Advance payments to secure products at competitive prices and ensure inventory availability.
Technology & App Maintenance	Server hosting, cloud infrastructure, cybersecurity, bug fixing, feature enhancements, and continuous technical support.

INVESTMENT OPTIONS

To provide flexibility for investors, Feel It Buy Innovations offers the following investment models.

Option 1 – Profit Sharing Model

- Investment Amount: **₹30,00,000**
 - Profit sharing will commence **after the first six (6) months** from the date of investment.
 - The investor will receive **20% of the annual net profit**, calculated in accordance with the Investment Agreement.
 - Profit distribution will be made annually based on the audited financial statements of the business.
 - The detailed rights and obligations of both parties will be governed through a mutually executed Investment Agreement.
-

Option 2 – Fixed Interest Investment Model

- Investment Amount: **₹30,00,000**
 - Fixed Return: **15% per annum**
 - Investment Period: **5 Years**
 - Interest shall be paid annually, or as mutually agreed.
 - The principal investment of **₹30,00,000** shall be repaid upon completion of the five-year investment period.
 - The repayment schedule and other investment terms will be specified in the Investment Agreement.
-

FUTURE EQUITY CONVERSION OPPORTUNITY

Feel It Buy Innovations is presently operating as a **business firm** with a long-term vision of converting into a **Private Limited Company**.

Upon incorporation as a Private Limited Company, investors under either the **Profit Sharing Model** or the **Fixed Interest Investment Model** may be offered an opportunity to convert their investment into equity shares of the company.

Any future equity conversion shall be subject to:

- The company's valuation at the time of conversion.
- Mutual agreement between the company and the investor.
- Applicable laws, statutory requirements, and regulatory approvals.
- The terms and conditions contained in the Investment Agreement.

This provides investors with an opportunity to earn returns during the firm's growth phase while retaining the possibility of becoming equity shareholders after the business is incorporated as a company.

WHY INVEST IN FEEL IT BUY INNOVATIONS?

- Growing local e-commerce platform with scalable technology.
 - Experienced and committed founding team.
 - Strong expansion strategy across multiple product categories.
 - High growth potential supported by increasing digital adoption.
 - Transparent utilization of investment funds.
 - Flexible investment options to suit different investor preferences.
 - Long-term vision of building a professionally managed company.
