
COMPANY VALUATION & EQUITY OFFERING

Dear Sir,

Thank you for your valuable time and for considering **Feel It Buy Innovations** valuation, investment proposal, and the basis for our valuation. The enclosed details include our current valuation, equity offering, proposed utilization of funds, and our growth strategy.

We believe this investment will enable Feel It Buy to expand its operations, strengthen its distributor network, enhance customer acquisition, and accelerate our growth across new markets and product categories.

INVESTMENT PROPOSAL

- **Founder Investment:** ₹25,00,000
- **Pre-Money Valuation:** ₹1,70,00,000 (₹1.7 Crore)
- **Investment Required:** ₹30,00,000 (₹30 Lakh)
- **Post-Money Valuation:** ₹2,00,00,000 (₹2 Crore)
- **Equity Offered:** 15%

VALUATION CALCULATION

Pre-Money Valuation: ₹1,70,00,000

Proposed Investment: ₹30,00,000

Post-Money Valuation: ₹2,00,00,000

Equity Calculation: $\text{₹30,00,000} \div \text{₹2,00,00,000} \times 100 = 15\%$

VALUATION JUSTIFICATION

Our pre-money valuation of **₹1.7 crore** is based on the following factors:

- Founder investment of approximately **₹25 lakh** towards app development, office setup, infrastructure, salaries, legal and operational expenses.
- A fully developed technology platform with a scalable business model.
- A clear revenue generation strategy and projected business growth.
- Expansion plans into additional product categories and new locations.
- A large addressable market in the furniture and electronics sector, with future expansion into lifestyle categories.
- A committed founding team focused on building and scaling the business over the long term.

FUND UTILIZATION PLAN (₹30 LAKH)

The investment raised will be utilized to accelerate the growth and expansion of **Feel It Buy Innovations** across our target markets.
